# MANDI GOBINDGARH

**Mandi Gobindgarh, popularly known as the “Steel City of Punjab”**, offers a high-potential market for OOH media branding. Strategically located on NH-44, it serves as a key transit point between Ludhiana, Amritsar, Chandigarh, and Delhi, attracting a steady flow of industrial traffic, transporters, workers, and traders.

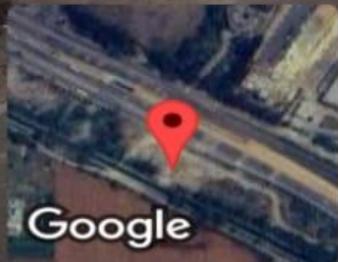

With over 500+ steel rolling mills and industrial units, the town has a thriving B2B and labour economy that makes outdoor visibility extremely effective. High footfall areas like Main Bazaar, Railway Road, Bus Stand, and GT Road are ideal for hoardings, unipoles, pole kiosks, and transit branding.

### **Why Mandi Gobindgarh for OOH?**

- Industrial Hub: Daily movement of thousands of buyers, suppliers, and workers.
- High Visibility Corridors: Strategic highway and local market placement.
- Targeted Reach: Brands can directly engage with a niche audience including industrialists, Buyers, and rural shoppers.
- Less Media Clutter: Compared to metros, Gobindgarh offers a cleaner, more focused branding environment.
